*Proceedings of the Madras Government, Public Works Department,
7th October 1867.*

No. 117. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Salem, 24th September 1867, No. 120 :—

1. With reference to G. O. No. 2,512, of the 16th of August 1867, I have the honor to submit, for the sanction of Government, a revised estimate of Rupees 1,720, accompanied by a plan and specification, for improvements

proposed to be made to the District Moonsiff's Court-house at Oosoor, in the Salem District.

2. The alterations suggested in paragraph 4 of the above order, for affording additional light and ventilation to the rooms, have been attended to in preparing the revised estimate.

3. While at Oosoor, last month, I observed that there was a good compound wall to the building, and instructed the Range Officer to provide in the estimate only for repairing it, instead of for an entirely new wall. This has reduced the amount by Rupees 390.

4. The outlay on this work can be met from the balance of the grant of Rupees 6,000 * for a Talook Cutcherry at Namkul, as this work is not to be proceeded with, pending the decision of Government with respect to Subsidiary Jails and Lock-ups.
