Proceedings of the Madras Government, Judicial Department,

14th October 1867.

Read the following papers:—

No. 119. From Lieutenant Colonel J. BEAN, R. E., Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department; dated Madras, 16th September 1867, No. 2928.

I have the honor to forward, to be laid before Government for their orders, a plan and an estimate, amounting to Rupees 350, for making certain alterations and improvements in the old Travellers' Bungalow at Old Arcot, in the North-

ENCLOSURES 3.

Arcot District, to adapt it as a Police station.

2. I beg to enclose, also, an original letter from the Collector of North Arcot, explaining the necessity for the adaptation of the building to this use.

3. The expenditure incurred under the authority of the Orders of the 29th May 1866, No. 1698, and 5th June 1867, No. 1689, has exhausted all the funds at my disposal, and I have no likelihood of having the means at my further disposal to meet this estimate, even if it were within the limit authorized to be brought under the operation of these orders, which Mr. Robinson quotes.

From the Collector of North Arcot, to the Acting Superintending Engineer, 4th Division; dated Chittoor, 31st August 1867, No. 521.

The prison accommodation in the Police station at Old Arcot is so miserably defective, both as respects space and ventilation, that it has been denounced by the District Magistracy and Police as unsuited for a place of confinement. At the suggestion of the Assistant Superintendent of Police, it is now proposed to convert the Government building at that place, which was used as the Sub-Collector's Cutcherry, when Old Arcot was the head quarters of the Sub-Division, into a Police station; and the Joint Magistrate has at my request had a plan and estimate prepared with this object. As the estimate, amounting to Rupees 350, exceeds the sum which I am authorized by Order of Government, dated 18th May 1866, No. 766, to expend for such purposes, I have the honor to forward the plan and estimate to you, with a request that you will be so good as to apply to Government for sanction to put the work in hand as soon as funds can be made available.

Referred to the Inspector General of Police for report, as to whether funds can be provided from the Police Budget Estimate for the alterations and improvements proposed to be made to the building adverted to in this letter.

FORT SAINT GEORGE,
26th September 1867.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

No. 120. From the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 8th October 1867, No. 1794.

Hutting and Building.

With reference to your endorsement on Colonel Bean's letter* of 16th September, No. 2928, I have the honor to report that funds can be made available for the alterations, &c., to the old Travellers' Bungalow at Old Arcot by a transfer of the amount (Rupees 350) from the grant for the Salem District, provided in the Police Budget.

*Proceedings of the Madras Government, Public Works Department,
5th June 1867.*

No. 106. Read the following Proceedings of the Madras Government, in the Judicial Department, dated 28th May 1867, No. 875.

Read the following papers:—

From the Magistrate and Agent to the Governor of Fort Saint George in Vizagapatam, to the Chief Secretary to Government, Fort Saint George, dated Vizagapatam, 13th March 1867, No. 53.

1. It was ordered by Government on the 18th May last, G. O., Judicial No. 766, that slight alterations and improvements, to render buildings used as Subsidiary Jails habitable, might be incurred at once without reference to Government, provided that the charge incurred did not exceed Rupees 200 in each case.

2. Under this Order, two Subsidiary Jails in this district were rendered fairly decent, but when I sent in an estimate for a third, the Superintending Engineer returned it with the following remarks:—“ I have no funds from which to issue the amount you require. All my allotments are exhausted. I would suggest your applying to Government for sanction and grant of money.”

3. As nearly all the Talook Jails are urgently in need of the improvements contemplated by the foregoing G. O., I thought it best to get estimates prepared for the whole, and to apply for the entire amount at once; and I now beg to submit the enclosed tabulated Statement, exhibiting a total estimate of Rupees 2,739, for which sanction is solicited.

From the Committee on Subsidiary Jails, to the Chief Secretary to Government, Fort Saint George, dated 11th May 1867, No. 1.

1. We have the honour to acknowledge the Government docket, dated 8th May 1867, on a letter from the Magistrate of Vizagapatam, dated 30th April 1867, No. 97, in which that Officer expresses a hope that the appointment of the Committee on Subsidiary Jails by Government in their Proceedings of 13th April, No. 613, will not interfere with improvements or additions to existing Jails urgently required, and for which the Government in their Order, 18th May 1866, No. 766, gave their sanction within the limit of 200 Rupees for each Jail.

2. We would recommend that these emergent improvements confided to the Magistrates should not be delayed or interfered with.

2. We would recommend that these emergent improvements confided to the Magistrates should not be delayed or interfered with.

*Proceedings of the Madras Government, Public Works Department,
5th June 1867.*

3. Our inquiries will necessarily occupy a considerable time, and in determining the new recommendations to be made to Government, we shall give due attention to the improvements which may have been thus made by the Magistrates, which will be exhibited in the plans of each Subsidiary Jail.

4. In a great majority of cases these improvements will have been already effected.

(Signed) J. D. SIM.
(„) R. S. ELLIS.
(„) J. W. WILSON.

1. Orders will be issued in the Department of Public Works for the provision of the necessary funds to enable the Magistrate of Vizagapatam to carry out the improvements to the Subsidiary Jails, of which a Statement was submitted with Mr. Carmichael's letter of the 13th March last.

2. The Government concur in the opinion of the Committee on Subsidiary Jails, that such of the emergent improvements ordered in the Proceedings of Government, under date the 18th May 1866, as have not yet been carried out should not be postponed, pending the decision of the Government on the report which the Committee on Subsidiary Jails have been called upon to furnish, and the preparation of which will probably occupy some time. The funds necessary for carrying out such improvements will be provided in the Department Public Works.

The sentence is executed without unnecessary delay, but meanwhile the prisoner is kept in the Jail and classed as a convict. This station, moreover, is on the high road to Vizagapatam, and Session Case prisoners generally pass one night here if from the north or the east.

There being an Apothecary here, prisoners from several neighbouring talooks are sent here to undergo sentences of whipping. This is a Tahsildar's head quarters, but the only public building is a Police Station. The Tahsildar held office in a shed, but the wind having incontinently blown down this edifice, he was forced four months ago to remove his Cutcherry to the verandah of his own house. The estimate for a suitable building was laid before Government three years ago—Vide G. O., Revenue Department, 31st July 1836, No. 1898.
