No. 1707.

To

THE HONORABLE SIR C. H. SCOTLAND, Kt.,
Chief Justice of the High Court of Judicature,
Madras.

HONORABLE SIR,

In continuation of my letter of the 18th instant, No. 1661, I am directed by the Governor in Council to forward the annexed copy of a letter from the Officer Commanding the 16th Lancers, Bangalore,

Dated 3rd October 1867, No. 591.

forwarding an extract from the Cantonment Magistrate's Proceedings, relative to Mr. John White's conduct at that station.

I have the honor to be,
 Honorable Sir,
 Your most obedient Servant,

FORT SAINT GEORGE,
 28th October 1867.

Chief Secretary.

From the Officer Commanding H. M.'s 16th Lancers, to the Secretary to Government, Fort Saint George; dated Bangalore, 3rd October 1867, No. 591.

At the suggestion of the Cantonment Magistrate of Bangalore and the Judicial Commissioner of Mysore, I have the honor to bring to the notice of Government the conduct of Mr. John White, a Moonsiff at Tripatore, so far as it affects the Regiment under my command.

2. Mr. White occupies a house in the vicinity of the Barracks, and, whenever in Bangalore, he has been in the habit of entertaining several men and women of the Regiment, and also visiting the quarters of some of the married men. Finding that the course pursued by Mr. White was prejudicial to the good conduct of certain of his associates, and an annoyance to other men and women, after one or two complaints made to me, I ordered that Mr. White should be warned that he was not to enter any part of the Barracks. This was done by the Provost Serjeant.

3. Some of the men and women still continued to go to his house, and in consequence of certain reports made by the Cantonment Police as to their conduct whilst there, I issued a Regimental Order in July, forbidding the men or women of the Regiment to go to Mr. White's house, or to associate with him, and have since been obliged to punish both men and women for breach of that order.

4. Mr. White, in spite of the order given him, continued to visit the Barracks, and, on the 15th ultimo, having been found in one of the quarters of the married men, he was handed over to the Police. A copy of the extract of the Proceedings before the Magistrate is forwarded for information.

5. As the line of conduct pursued by Mr. White, besides causing misconduct on the part of certain men and women of the Regiment, is a great annoyance to others, also a great trouble to the Regimental authorities, I deem it my duty to state that, if he continues the same course of conduct towards the men of the Regiment and their wives, I cannot hold myself responsible in the event of a serious breach of the peace occurring.
