*Proceedings of the Madras Government, Judicial Department,
28th October 1867.*

No. 255. Read the following letter from the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 25th October 1867, No. 1917.

General Department.

During my recent tour of inspection in the Districts of Bellary and Kurnool, I have carefully examined the requirements of each.

2. Bellary is a crime-ridden District, and the least pressure produces an immediate accession of crime, which, as this enormous District was inadequately provided from the first with Police, it has been impossible to repress, and extra establishment has had to be applied for. Four more small stations in a disturbed part of the country are, in the opinion of the Magistrate and Superintendent of Police, indispensable. In this view, after experience of years and careful examination of the District force and allocation, I fully concur.

3. A revision of the Police of Kurnool, with the Magistrate and Deputy Inspector General, satisfies me that the 30 men required may safely be spared from this District.

2 Head Constables. 8 1st Class Constables.
2 Deputy Head Constables. 18 2nd Class Constables.

4. I, therefore, request the sanction of Government to transfer the strength noted in the margin from Kurnool to Bellary District.
