Proceedings of the Madras Government, Judicial Department,

6th November 1867.

No. 65. Read the following letter from the Acting Magistrate of the Madras District, to the Chief Secretary to Government, Fort Saint George; dated Saidapet, 18th October 1867, No. 218.

With reference to the Government Orders, No. 1165, of the 20th July last, I have the honor to state that, in accordance with the instructions contained in the concluding part of the Government Proceedings, No. 470, of the 29th March 1866, the several Subsidiary Jails in this District have been inspected by the Joint Magistrate, and the Assistant Magistrate.

2. The Government are aware that the whole of these Subsidiary Jails in the District have been specially reported on under the orders of the Committee appointed for this purpose. Improvements to them have been sanctioned and are in progress. Under these circumstances, I am of opinion that a quarterly inspection by a European Magistrate is unnecessary. The Magistrate, as well as Joint Magistrate, and the Assistant will, whenever proceeding through the District, either during the time of settlement or on other business, inspect the several Jails and forward reports to the Magistrate when the inspection is made by other than that officer.

No. 66. ORDER THEREON, 6th November 1867, No. 1773.

The Subsidiary Jails of the Madras and Salem Districts having been recently reported upon by the Subsidiary Jail Committee, after having been carefully inspected by an officer specially deputed for that purpose, the quarterly inspections prescribed in G. O., No. 470, dated 29th March 1866, need not be made in these two Districts during a period of six months. The attention of the Inspector General of Jails will be called to the Return required by G. O., No. 1165, dated 20th July 1867.

Just. DEPARTMENT.

No. 2270.

From The Acting Magistrate of the Madras Dist.

Dated 18th October 1867.

FOR ORDERS.

I would acknowledge the generally
orders of government on this
subject but as the subordinate
facts of Madras have been
specially visited and reported
on so recently the periodic
visit by the Magistrate
of the District or his
Division officers may not be

enforced for the next quarter
or six months if there is any
objection to relieving them of this
duty. N.P.

Some Circular has, I think, been received,
the object of which was to keep before the
public the necessity of relieving the number of visits
now paid to the Cor. appts to these Subj
Sacks.

For the present I do not believe the
Madrone & Salem districts, as have both
been visited by Mr. B. Allen, from further
periodical visits of the local office in
for six months.

There is no doubt as to the great
value of an officer's work if he has work to do.
as in the case of Subj Collection. If there
is an abundant supply of applicants in
a district, it will be advantageous to

them to be knocked about so that
they may acquire local knowledge and
general information.
