Proceedings of the Madras Government, Judicial Department,

4th February 1867.

Read the following papers :—

No. 1. From the Principal Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George (through the Examiner of Claims); dated Fort Saint George, 4th December 1866, No. 422.

I have the honor to submit, for the favorable consideration of Government, the accompanying letter from the Medical Officer of the 6th Regiment, Native Infantry, soliciting some remuneration for the medical charge of the Jail at Vellore.

No. 103, of 23rd November 1866.

2. As a Central Jail is to be built at Vellore, I would respectfully recommend that Rupees 100 per mensem may be passed to Dr. Young, for the extra duty of attending on prisoners.

From Surgeon Major H. YOUNG, in Medical Charge of the Jail at Vellore, to the Deputy Inspector General of Hospitals, Presidency Division; dated Vellore, 23rd November 1866, No. 103.

With reference to my letter, No. 20, of February last, and Official Memorandum, in reply thereto, No. 820, dated Madras, February 23rd, from the Deputy Inspector General of the Division, I have the honor to submit the following, trusting you will do me the favor to forward the same, through the Principal Inspector General, Medical Department, for the consideration of Government. For the past twelve months I have been in medical charge of the Jail at this station, receiving no remuneration for the same. During this period, an allowance for the medical charge of Jails has been granted to *Civil* Surgeons, in addition to the pay of their rank. I am precisely similarly situated here, drawing only the pay of my rank as a Regimental Surgeon. The charge of the Jail entails considerable additional work: the Hospital is visited daily, and the whole of the Jail, together with all the prisoners, inspected at least once a week. During the late epidemic, when the prisoners were encamped two miles and a half from the Cantonment, they were visited and inspected daily by me. I have delayed heretofore bringing forward my claim, under the impression that the Medical Commission which met in Calcutta, in the beginning of the year, would provide for these especial cases, but nothing having yet been published on the subject, and an addition of 200 prisoners having arrived during the past week from Chittoor, thereby adding considerably to the charge, I beg you will kindly forward this application with your favorable recommendation.

For favorable recommendation.

(Signed) H. W. PORTEOUS,
*Dy. Insp. Genl. of Hospls.,
Presy. Division.*

No. 2. From the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 20th December 1866, No. 327.

Post Audit Department.

I have the honor to forward; herewith, a letter to your address from the Principal Inspector General of the Medical Department, No. 422, dated 4th instant, enclosing one* from Surgeon Major H.

* No. 103, dated 23rd November 1866.

Young to the Deputy Inspector General of Hospitals, Presidency Division, applying for an allowance for the medical charge of the Jail at Vellore, and to state, for the information of Government, that Civil Surgeons of Districts receive no extra allowance for the medical charge of the Jails in their Districts, excepting in Coimbatore, Salem, and Rajahmundry, where the Civil Surgeons receive an additional allowance

*Proceedings of the Madras Government, Judicial Department,

of 100 Rupees per mensem for the medical charge of the Central Jails, under the Orders of the Government of India, in the Financial Department, dated 20th October last, No. 2804.

2. In the event of a Central Jail being established at Vellore, Government will doubtless obtain the sanction of the Government of India for payment to the Officer who may be put in medical charge thereof, of an allowance equal to that given for the medical charge of the Central Jails named above; but, meanwhile, Dr. Young's case appears deserving of consideration, as he receives no allowance for the extra duties performed by him in connection with the Jail. The amount of the allowance will, of course, be determined by Government. The sanction which may be given should be reported for the confirmation of the Government of India in the usual course.

Referred to the Inspector General of Jails, for his remarks.
FORT SAINT GEORGE,
15th January 1867.
(Signed) A. J. ARBUTHNOT,
Chief Secretary.

No. 3. From the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Madras, 18th January 1867, No. 147.

I have the honor to return the letter from the Accountant General, dated 20th ultimo, referred to me on the 15th instant, and to state that the number of convicts at present confined at Vellore amounts to 360, and that it will be considerably increased when the huts on the site of the Central Jail are ready for occupation; for which reasons, I beg to support the recommendation of the Principal Inspector General, Medical Department, to the effect that Surgeon Major Young may receive an allowance of 100 Rupees per mensem, for the medical charge of the prisoners at Vellore.

No. 4. ORDER THEREON, 4th February 1867, No. 180.

Under the circumstances stated, the Governor in Council is pleased to sanction the payment of an allowance of 100 Rupees per mensem to the Officer in medical charge of the Jail at Vellore; the payment to commence from the date on which the prisoners may be actually huttet on the site of the Central Jail.
