*Proceedings of the Madras Government, Judicial Department,
12th November 1867.*

No. 145. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 1st November 1867, No. 123.

In consequence of the increase to the number of convicts at Madura, and the division of the prisoners into two bodies—the majority of the working convicts being located on the site of the new Jail, while the under trial prisoners, debtors, women, and a few male convicts remain in the old Jail—it was found necessary to employ two extra Warders on the 3rd August last. The total number of prisoners at that time was 493, but the average number has been somewhat higher, and was 517 by my last accounts, so that the number of Warders, including the two extra men, is in the proportion of one Warden to every 35 or 36 prisoners, which is moderate. I have, therefore, the honor to request you will be good enough to obtain sanction for the disbursement to the extra Warders of their pay, at 7 Rupees each per mensem, from the 3rd August 1867, and for their further employment as a temporary measure. They shall be discharged whenever the number of prisoners is so reduced as to admit of it.

No. 146. ORDER THEREON, 12th November 1867, No. 1816.

The Governor in Council sanctions the temporary employment of two extra Warders in the Jail at Madura, at Rupees (7) seven each per mensem, from the 3rd August last.

2. The charge will be included in the statement of monthly charges submitted for the confirmation of the Government of India.
