*Proceedings of the Madras Government, Public Works Department,
7th November 1867.*

No. 156. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 29th October 1867, No. 3,611:—

1. In G. O. No. 2,999, dated 26th September 1867, a sum of Rupees 10,730 was allotted for the execution of certain improvements and additions to subsidiary Jails in the Sydapet talook, Madras. The amount was met by a transfer of Rupees 4,730 from Trichinopoly, and Rupees 6,000 from Item No. 67 in the current Budget for the Trivellore Talook Cutcherry, which was in abeyance pending the approval by Government of a standard plan.

2. I beg to state that the whole of this latter sum is not available, as Colonel Boileau, losing sight for the moment of paragraph 79 of the Budget Orders, No. 3,938, of the 14th December 1866, though he had directed these instructions to be circulated in his division, which by an oversight in his Office had not been done, ordered the work to be proceeded with, and certain sums up to May, when I stopped the work, had been spent in the collection of material now on the site of the proposed Cutcherry.

Under the explanation afforded by the Superintending Engineer of the 4th Division, the Government resolve to direct that the amount transferred in Proceedings No. 2,999, of the 26th September 1867, from the grant for the Talook Cutcherry at Trivellore be reduced from Rupees 6,000 to Rupees 4,490, and that the sum of Rupees 1,510 which remains to be allotted in full of the estimates of Rupees 10,730 for improving the subsidiary Jails in the Madras District be provided by transfer from the assignment for Item 59* of the current year's Budget.
