*Proceedings of the Madras Government, Judicial Department,
18th November 1867.*

No. 201. Read the following letter from the Acting Magistrate of Trichinopoly, to the Chief Secretary to Government, Fort Saint George; dated Trichinopoly, 5th November 1867, No. 68.

I have the honor to report that one Moothoo Curpen has been formally charged with theft under Section 379 of the Indian Penal Code, and found to be of unsound mind, and incapable of making his defence.

2. He was kept in the District Jail under the personal examination of the Garrison Surgeon. The enclosed certificate granted by that officer conclusively establishes the fact of this individual being of unsound mind, and a proper person to be taken charge of and detained under care and treatment.

3. Under these circumstances, I beg to request the instructions of Government under Section 390 of the Criminal Procedure Code.

CERTIFICATE.

I, the undersigned James Lancaster Ranking, Garrison Surgeon, hereby certify that I have personally examined (under-trial prisoner) Moothoo Curpen, now in the District Jail under observation, and that the said prisoner, Moothoo Curpen, is of unsound mind, and a proper person to be taken charge of and detained under care and treatment; that I have found this opinion on the following grounds, viz., facts indicating insanity observed by myself, as incoherence of thought and action, extreme filthiness of person, and at times violence of conduct.

TRICHINOPOLY,
26th October 1867.

(Signed) J. L. RANKING, Surgeon Major,
Actg. Garrison Surgeon.

No. 202. ORDER THEREON, 18th November 1867, No. 1851.

Under the provisions of Section 390 of the Code of Criminal Procedure, the Governor in Council directs that the lunatic Moothoo Curpen be transferred to the Lunatic Asylum at Trichinopoly.

(True Extract).

Chief Secretary.

To the Magistrate of Trichinopoly.

„ Inspector General of Jails.

„ Inspector General, Medical Department.

Exd. J. Tulloch.

18 November 1867 No. 1857.

Under the provisions of
Section 390 of the Code of
Criminal Procedure, the
