*Proceedings of the Madras Government, Public Works Department,
29th October 1867.*

No. 611. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Camp at Cannanore, 18th October 1867, No. 116:—

In forwarding the accompanying plan and estimate called for in G. O. No. 1,934, of 28th June 1867, for constructing a District Police Office at Calicut, I have the honor to observe that by Order of Government No. 835, of 19th March, the original Budget allotment of Rupees 10,000 for the whole Malabar district was divided into Rupees 7,500, for Wynaad, and Rupees 2,500 for Malabar proper. Deducting from this latter amount Rupees 226, referred to in paragraph 6 of G. O. No. 656 of 4th March, a sum of Rupees 2,274 appears to be available, from which to defray the entire cost of the building within the current official year. I have no knowledge of any distinction of allotments between North and South Malabar; alluded to in the letter from the Inspector General of Police, printed with G. O. in the Judicial Department, No. 999 of 22nd June.

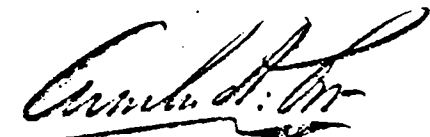

No. 612. ORDER THEREON, 29th October 1867, No. 3,346.

CIVIL WORKS, No. 66.

1. The estimate amounting to Rupees 2,100, submitted with this letter, for the erection of a Police Office at Calicut in the Malabar District, is sanctioned for execution from the Budget allotment for Police buildings in Malabar.

2. The Government presume that the plan has received the approval of the Inspector General; but this should have been clearly stated.
