To
The Registrar, High Court
Appellate Side

Sir

When retransmitting with my
report Mr. Dawes' application for Privilege
Leave, I have the honor to state, for the
information of the Honorable the Judges of
the High Court, that I am of opinion that
as the Leave solicited has been earned
by Mr. Dawes while acting in an Appoint-
ment not under the jurisdiction of the
High Court, the Leave should be granted
by the Right Honorable the Governor in
Council and not by the Honorable the
Judges.

2. To avoid loss of salary to Mr.
Dawes the Leave, if granted, should
appear in tomorrow night's Gazette, as
it cannot be granted with retrospective
effect and Mr. Dawes is due at his station
on the forenoon of Friday the 22nd Current.

I have the honor to be
Sir
Your most Obedt. Servant

Madras, November XVIII. 1867

To
J. W. Nelson Esq
Acting Registrar of the
High Court of Judicature
Appellate Side.

Sir, I have the honor to
request you will be so good
as to lay this my application
before the Honorable the Judges
for a month's privilege leave
commencing from the 13th instant
the date on which I ceased to
act as a Judge of the Madras
Court of Small Causes.

2 I submit this appli-
cation in consequence of my
not being able to procure for
myself a house, however small
at Puddupah. House-accum-
ulation

moderation in fact is so very limited that even the Civil & Superior Judge was obliged till recently to live in tents - a species of accommodation which unfortunately will not suit me - inasmuch as, at any inland station I have lived in, I have been a martyr to acute Bronchitis - being free from it only while on the Coast - a fact to which I am able to adduce abundantly medical testimony of the highest order.

3. The Judges will, I venture to hope, under these circumstances, appreciate the apprehension I feel of risking my health if subjected to the imperfect night-shelter of Canvas,

especially at this time of the year. This consideration indeed weighs so strongly with me that if not allowed privilege leave or full pay, I am prepared to take it on any salary the Judges and the Government may be kindly pleased to grant me - thus allowing me time to make arrangements for housing myself at Jeddah where, I am assured, there is a probability of this being effected within a month.

4. I beg to add that I have had no leave since the adjournment of the Principal Secy. Secy's post at Jochin in April 1866. Subsequently I acted at Meadras as a Police Magistrate ^{for 14 months} and hadn't

the advantages of the Annual
Adjournment - have enjoyed
of Judicial Officers in the Profess-
5 I beg the Honorable the
Judge, will pardon the liberty
I take in submitting this
application direct, instead of
thru' the medium of the Civil
Judge - The fact is - I was preparing
to proceed to Cuddapah, but
the receipt of communications
from Cuddapah apprising me of
the want of more accommodations
there, has necessitated my
troubling the Judges with the
present solicitation which
I trust they will do me
the favor of complying with.

I have the honor to be
Sir
Your most obedt Servant
