PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memo. to the Adjutant General..... Here enter 3rd July 1867.
Do. from the Offg. Asst. Adj. Genl..... " 8th " " No. 307.
Do. to the Adjutant General..... " 10th " "
Do. from the Offg. Asst. Adj. Genl..... " 7th August, " 326.

Memorandum from the Secretary to Government, Military Department, Fort Saint George, 3rd July 1867; to the Adjutant General.

With advertence to the copy of the additional rules for the Cantonment of Vellore, submitted to Government for reference, the undersigned is directed to request that a register of all punishments inflicted at that station during the year 1866, under the 84th Article of War for Native Troops, (Act 29 of 1861) may be forwarded for the information of Government, and that a list of the Military offences proposed to be hereafter dealt with by the Military Authorities under the same Article, may also be submitted.

Memorandum from the Officiating Assistant Adjutant General, Fort Saint George, 8th July 1867, No. 307; to the Secretary to Government, Military Department.

With reference to memorandum from the Secretary to Government, Military Department, dated 3rd July 1867, the Officiating Assistant Adjutant General has the honor, by order, to request the return of the Standing Orders of the Station of Vellore and additional rules framed by Lieutenant-Colonel Kempster, Commanding that station, forwarded with memorandum from this department, dated 25th ultimo, No. ¹/₂₈₅, as the Judge Advocate General states that unless the above documents are submitted to him, he cannot name the offence that may not be cognizable by Magistrates, and therefore must be dealt with under the 84th Article of War for Native Troops.

2. Information is also requested, whether it is intended to prepare a list of all such offences, to be made applicable to every Cantonment, as the Standing Orders of all Cantonments will have to be furnished to the Judge Advocate General, to enable him to do so, and the information required will, therefore, necessarily be delayed.

Memorandum from the Secretary to Government, Military Department, Fort Saint George, 10th July 1867; to the Adjutant General.

In returning the Standing Orders of the Station of Vellore, and additional rules framed by Colonel Kempster, the undersigned has the honor to observe that they will be again required for reference in this department.

2. The register and list called for in this office memorandum, dated the 3rd instant, only intended the Station of Vellore.

Memorandum from the Officiating Assistant Adjutant General, Fort Saint George, 7th August 1867, No. 326; to the Secretary to Government, Military Dept.

The Officiating Assistant Adjutant General has the honor, with reference to memorandum from the Secretary to Government, Military Department, dated the 3rd ultimo, to forward a register of all punishments inflicted in the Cantonment of

Vellore, during the year 1866, under the 84th Article of War for Native Troops,—also a memorandum in original from the Judge Advocate General of the 17th idem, No. 331, submitting a list of offences requiring to be dealt with by the Military Authorities under the same Article at that Station.

2. The Standing Orders of the station of Vellore and additional rules framed by Colonel Kempster, received with memorandum of the 10th July 1867, are returned, as therein requested.

ORDER, No. 4364, 11th November 1867.

It having been decided in paragraph 3 of Proceedings of Government, 27th September 1867, No. 3716, that the Military Cantonments Act (1 of 1866, Madras,) is not to be made applicable to stations at which Native Troops alone are located—Vellore coming within this category—and the Military limits of the station having been considerably curtailed, it appears desirable that the Standing Orders of the Cantonment and the additional rules proposed by the Officer Commanding the

Station should be revised, in accordance with the intention expressed in paragraph 2 of Proceedings of Government,

*Mily. Pro. 27th June 1867, No. 2342.

Judicial Department, 19th June 1867, No. 991.*

2. The following do not appear to come properly within the provision of Cantonment Standing Orders.

Head	III.	Encroachments	Rules 1 to 3	Appertain to the Magistracy.
"	IV.	Injury to trees	" 1 & 2	
"	V.	Nuisances	" 1 & 2	

Appertain to Municipal Corporation.

"	VI.	Furious driving,	" 3	Provided for by the Police Act and Magistracy.
"	VII.	Stray cattle	" 1	

"	VIII.	Planting trees	" 1 & 2	Should be omitted, being of doubtful expediency as interfering with private rights.
"				

Fort	"	1	To be dealt with by the Magistracy and the Municipality.
Bad characters	"	1	

The Code of Criminal Procedure guides the Magistracy in dealing with such matters.

Heading omitted	"	1 & 2	Inexpedient, as in the case of planting trees.
"	"	3	

A municipal matter.

3. Adverting to the list of punishments inflicted by the Officer Commanding Vellore during 1866, it is observed that several sentences are obviously such as cannot have been contemplated by Article of War No. 84 (Act 29 of 1861.)
