No. 327. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 11th November 1867, No. 255.

Post Audit Department.

I have the honor to enclose an original Proceedings of the Board of Revenue, and with reference thereto to request that I may be informed in what sense the terms "Subordinate Magistrate of the 1st Class," and "Subordinate Magistrate of the 2nd Class," are used in the Special Test Rules of 3rd January 1866, whether they refer to the extent of the powers with which the Subordinate Magistrates are invested under the Procedure Code, or to the class of the stations to which they may be appointed according to the Honorable Mr. Pelly's arrangement. If the words are used in the former sense, I beg to be informed what qualification should be demanded from men appointed as Subordinate Magistrates in any of the three classes into which Mr. Pelly has divided them, as the Special Test Examination Rules do not seem clearly to provide for them.

No. 328. ORDER THEREON, 26th November 1867, No. 1927.

The terms "Subordinate Magistrate of the 1st Class," and "Subordinate Magistrate of the 2nd Class," used in the Special Test Examination Rules of the 3rd January 1866, clearly refer to the powers with which Sub-Magistrates are invested under the Criminal Procedure Code.

2. The Accountant General is, however, concerned only with the salaries to be drawn by Sub-Magistrates according to the rates specified in the three classes of Mr. Pelly's scheme.

3. Mr. Pelly's classification has reference to the importance of the stations to which the Sub-Magistrates may be posted, irrespective of the powers which they may exercise.
