*Proceedings of the Madras Government, Judicial Department,
27th November 1867.*

No. 341. Read the following letter from W. ROBINSON, Esq., c. s. i., Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Kotagerry, 11th November 1867, No. 2060.

I have received a communication from Captain Tennant, Deputy Inspector General of Police, Northern Range, requesting me to submit, for the favorable consideration of Government, the expenses he is put to in the provision of tents and carriage of the same on his tours through the Hill Tracts.

2. For protection from malaria and fever, a superior description—such as is manufactured at Jubbulpore—of tent is required when travelling in the Malayahs,

N. B.—The ordinary Madras-made tent is not safe. and the cost of such tents is considerable. Captain Tennant states that the tents he now has to provide himself with will cost about Rupees 1800.

3. Officers of other Departments, *e. g.*, Agents to the Governor, and Survey Officers, are either furnished with tents or draw a special tent allowance, and are provided with elephants for the carriage of the Camp equipage.

4. The Deputy Inspector General truly states that, while he has not those indulgences, he is required to do more Hill travelling, and is expected to keep up a full set of tents for Hill tours, and to hire elephants to carry them, in addition to horses, &c., for tours, through the other districts of his range; and that these expenses are not met by the Hill travelling allowance of Rupees 10 per diem.

5. I beg the favorable consideration of Government to Captain Tennant's application for assistance, and suggest that a complete set of Hill tents* be supplied for the use of the Deputy Inspector General of Police in the Northern Range—the cost not to exceed Rupees 2000.

General of Police in the Northern Range—the cost not to exceed Rupees 2000.

No. 342. ORDER THEREON, 27th November 1867, No. 1937.

The Governor in Council is not prepared to authorize the provision, at the public expense, of a complete set of Hill tents for the use of the Deputy Inspector General of Police in the Northern Range, but he will take into consideration the expediency of raising the rate of travelling allowance in the Hill Tracts on its being shown what increase is necessary to save the Officers of the Police when travelling from loss. Mr. Robinson is requested to communicate on the subject with Mr. Carmichael before submitting his proposition to Government.
