*Proceedings of the Madras Government, Judicial Department,
4th December 1867.*

No. 43. Proceedings of Government, dated 4th December 1867, No. 1930.

The Right Honorable the Governor in Council having had under consideration the orders passed on various occasions, relative to the exercise of Magisterial powers by Deputy Collectors in charge of Treasuries, resolves to instruct all Magistrates that such Deputies are not to exercise such Magisterial powers as they may possess under former orders, unless with the special sanction of Government now sought and obtained, and with such limitations as may effectually prevent interruption or delay in the discharge of their Treasury duties.

2. Magistrates will at once report to Government, in the Judicial Department, as to the extent of the Magisterial jurisdiction (if any) now exercised by their Treasury Deputies, and will state fully how far, and for what reason, it is desirable that such jurisdiction should not be withdrawn or restricted. Pending the passing of orders on these reports, the exercise of Magisterial powers by Treasury Deputies will be limited to cases of real emergency, or occasions when no other Magistrate possessing the requisite powers is present at head quarters.
