*Proceedings of the Madras Government, Public Works Department,
23th November 1867.*

No. 657. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Madura, 14th November 1867, No. 1,579:—

1. I have the honor to bring to your notice that provision is made in the current year's Budget for constructing a Sub-Magistrate's Cutcherry and Subsidiary Jail at—

	RS.
Part II., Item No. 107. Tiruchuli in Madura...	2,750
" " " 108. Muduculatoor in do....	2,750
" " " 109. Viruputty in Tinnevelly	2,750
" " " 110. Velathicolum in do. ...	2,750
	11,000

The plans and estimates which were sanctioned in 1863 were revised some months ago, in communication with the Magistrates of the Districts, and fresh plans and estimates were submitted by me for the two buildings in Madura on the 27th June 1867, No. 630, and for those in Tinnevelly on the 27th March 1867, No. 2,199.

Not having heard anything of the papers, I presume they are in the hands of the Subsidiary Jail Committee: but as the year is already far advanced, I fear the sum of Rupees 11,000 cannot now be expended on the buildings as allotted in the Budget estimate.

2. It appears a reasonable supposition that, if the revised plans had been approved, they would have been returned to me for execution: consequently, if alterations are considered necessary, a good deal more time will elapse before sanction can be accorded. I therefore recommend that a sum of Rupees 9,000 be transferred at once, leaving for the present Rupees 1,000 available for each district, in case it be found that such sum can with advantage be laid out before the end of the official year in commencing the buildings.

3. There is an immediate demand for money for the completion of the new Jail at Madura, the assignment of additional funds having been deferred in orders

as per margin.* The expenditure on
the Jail up to the 31st October, in excess
of the Budget allotment, has been about

Rupees 11,000; the general credit for the district being drawn upon, while both the Jail and Court House buildings are being rapidly carried on.

4. Hence I would propose the following transfer of funds being sanctioned:—

<i>From Tinnevelly.</i>	RS.
Part II.—Civil Buildings, Items Nos. 109 and 110 ...	4,500
<i>From Madura.</i>	
Part II.—Civil Buildings, Items Nos. 107 and 108 ...	4,500
<i>To Madura.</i>	
Part II.—Civil Buildings, No. 122. New Jail at Madura...	9,000

No. 658. ORDER THEREON, 28th November 1867, No. 3,711.

ACCOUNT, No. 58.

1. Under the circumstances represented in paragraphs 1 and 2 of the letter above recorded, and looking to the necessity which exists for immediately supplementing the allotment for the

new District Jail at Madura, His Excellency the Governor in Council resolves to sanction the transfers of Budget credits recommended by the Superintending Engineer of the 8th Division.

2. It is understood that the revised plans and estimates for the proposed Sub-Magistrates' Cutcheries in the Madura and Tinnevely Districts are under the consideration of the Subsidiary Jail Committee.
