Proceedings of the Madras Government, Public Works Department.
3rd December 1867.

No. 37. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coondapoor, 18th November 1867, No. 131:—

In re-submitting the estimate for altering and improving the Zillah Jail at Ootacamund, with the additions called for in Government Order, No. 1,115, of 13th April, and with reference to paragraph 2 of Government Order, No. 3,462, of 7th November, on the subject of additional funds, I have the honor to suggest, that as Major Farewell has pushed on the works vigorously in accordance with orders and can hardly stop work at present, it may be as well to make at once the following additional transfers from the allotment for Talook Cutcheries in Coimbatore District, which will still leave as much as can probably be spent on them after their plans shall have been finally settled, viz.:—

	rs.
From Item No. 72	1,000
Do. " " 73	4,000
Do. " " 74	1,000
	6,000

No. 38. ORDER THEREON, 3rd December 1867, No. 3,756.

CIVIL WORKS, No. 8.

1. The Government sanction the estimate of Rupees 52,890 submitted with this letter for additions and alterations to the Zillah Jail at Ootacamund.
2. The allotments for this work amount to Rupees 15,000, which the Superintending Engineer proposes to supplement by the transfer of Rupees 6,000 from the works which form items 72, 73, and 74 of the Budget; but as the whole of the grant for the second of these items has been already diverted in G. O. No. 3,671, dated 26th November, only Rupees 2,000 are available for transfer, and the appropriation of that amount to the Ootacamund Zillah Jail is approved.
