Proceedings of the Madras Government, Public Works Department.
10th December 1867.

2. Adverting to paragraph 2, the Controller will report at the end of January next whether any and what further amount can be set free from the reduced assignment for Establishments, and he will be careful, in framing his estimate of actual requirements under that head, to make due allowance for the large sum which will be chargeable to Local Funds on account of appropriations for Public Works to be carried out under the agency of the Public Works Department, made since the issue of the original Local Fund Budget for the current official year.

3. The Consulting Engineer for the Madras Irrigation and Canal Company will also report whether any portion of the grant for State expenditure on lands required for the Company's canal can be set free for transfer to Public Works.
