*Proceedings of the Madras Government, Judicial Department,
27th December 1867.*

No. 289. Read the following letter from the Subsidiary Jail Committee, to the Chief Secretary to Government, Fort Saint George, dated Madras, 14th December 1867, No. 60.

We have the honor to request that all Magistrates in charge of Subsidiary Jails may be directed to keep the following Return from the 1st January next.

2. The object we have in view in requiring this return, is to enable us to judge of the correctness of our calculations of the Subsidiary Jail accommodation required in every Taluq throughout the Presidency.

3. The returns we have received on this subject have been prepared from records which are often incorrect.

4. The entries in this return will be made daily by the Officer in charge of the Jail, a cipher representing the days upon which there are no prisoners in the Jail under the several headings.

5. In column 7 should be entered the nature of sickness in the Jail if any, and a special note should be made of any day on which the wards have been overcrowded.

6. By overcrowding is to be understood when each prisoner has less than 600 cubical feet and 40 square-feet of superficial area.

7. We request that these returns may be sent direct to us at the close of each month during 1868.
