Proceedings of the Madras Government, Judicial Department,

31st December 1867.

No. 295. Read the following letter from the Magistrate of the Madras District, to the Chief Secretary to Government, Fort Saint George; dated Sydapet, 10th December 1867, No. 266.

With reference to the Proceedings of Government under date the 4th December 1867, No. 43, I have the honor to inform you that my Treasury Deputy occasionally exercises the powers of a Magistrate but only in cases which are referred to him by myself. Mr. Richardson now, however, informs me that his Treasury work here is not at all heavy, and that these Magisterial inquiries do not in any way interfere with his duties as Deputy Collector in charge of the Treasury. Under these circumstances I think it would be undesirable that his Magisterial powers should be withdrawn from him or restricted; as, during my necessary frequent absence from head quarters, delays would occur in the disposal of criminal cases, which would be of great inconvenience. If Mr. Richardson's powers are retained I shall of course take care that the Magisterial work referred to him does not in any way interfere with his Treasury duties; and I shall instruct him to refer back to me even if I be absent from head quarters, or to refer to any Assistant that there may be in the district with full powers, any case that is at all likely to occupy time that ought to be employed in his Treasury duties.

No. 296. ORDER THEREON, 31st December 1867, No. 2121.

As, owing to the adverse season in the Madras District, the annual Jumma bundy will probably require the prolonged absence of the Collector and his Assistants from head quarters, the Governor in Council sanctions temporarily the exercise of Magisterial powers by the Deputy Collector in charge of the District Treasury.
