*Proceedings of the Madras Government, Judicial Department,
31st December 1867.*

No. 307. Read the following letter from the Registrar General of Assurances, Madras, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 13th December 1867, No. 124.

I have the honor to report that since the Government Order, No. 685 of the 29th April 1867, was passed I have received several communications from Major Hunter, urging the inexpediency of abolishing the Sub-Registry Office of the Shevaroy Hills, and suggesting that, as a Sub-Magistrate had been appointed, a further trial should be given before abolishing the office altogether. I have informed him more than once that the fact of a Sub-Magistrate having been appointed did not affect the question, as he might fall ill as his predecessors had done, and that, in the event of there being no one available to succeed him, the same difficulty would arise as was experienced before. Major Hunter in his last letter states that he is now willing, in cases of necessity, to undertake the duty of Sub-Registrar. This was the arrangement originally suggested by the Collector, but Major Hunter was not willing at that time to accept the post.

2. As it is practicable to keep up the office under the arrangement suggested I beg to submit, for approval and publication in the *Gazette*, a draft Notification, cancelling so much of the one published on the 5th July 1867 as directed the abolition of the Sub-Registry Office of the Shevaroy Hills on the 31st December 1867.

No. 308. ORDER THEREON, 31st December 1867, No. 2127.

The Governor in Council is not prepared to sanction the arrangement proposed in the letter above recorded by which Major Hunter would be placed, in the absence of the Subordinate Magistrate, in charge of the office of Sub-Registrar of Assurances on the Shevaroy Hills. Should the Registrar General of Assurances be of opinion that a Registration office is required on the Shevaroy Hills he will submit, for the approval of Government, some other arrangement.
