*Proceedings of the Madras Government, Judicial Department,
11th February 1867.*

No. 65. Read the following letter from the Registrar General of Assurances, to the Chief Secretary to Government, Fort Saint George; dated Madras, 1st February 1867, No. 25.

I have the honor, with reference to the enclosed correspondence with the Superintendent of Stationery, to request sanction for the binding of 20 Registers by the Contractor of that Office, at the rate of Rupees 0-15-4 per volume. Messrs. Gantz & Co. are unwilling to undertake the work for less than Rupees 2, and Messrs. Foster & Co. ask Rupees 1-4-0.

From the Registrar General of Assurances, to the Superintendent of Stationery; dated Madras, 1st February 1867, No. 17.

I have the honor, with reference to the annexed Government Order, No. 659, of the 2nd May, to inquire whether you see any objection to the contracts for binding Registers and other books for this Department being given to the Contractors employed in your office, under such arrangements as you may consider suitable.

2. Some addition to the contract rates would have to be made, on account of the difference of size noticed in my letter; the books of the Stationery Office containing 4 quires or 384 pages, while our Registers and Indexes consist of 500 pages besides the title page.

3. There are at present 20 Registers (Royal Size) to be bound, and they are urgently wanted for despatch.

From the Superintendent of Stationery, to the Registrar General of Assurances, Madras; dated Fort Saint George, 29th January 1867, No. 765.

In reply to your letter, No. 17, of 24th January 1867, I have the honor to inform you that I see no objection to the contract for binding books and Registers of your Department being given to the Contractor of this Office.

2. I annex in the margin the rates of the current Official year, at which leather books are bound for this Department, with 4 quires

of paper; but as you state that the Registers and Indexes of

your Office consist of 500 pages besides the title page, which are equal to 5 quires and 5 sheets, the Contractor will undertake to bind the 20 Registers of Royal Size paper urgently wanted by you for Annas 15-4 each, which is in proportion to the rate of Annas 11-9 for a book of the same size bound with 4 quires for this Office.

3. The rates now given will only continue to the close of March next, and should you approve of the rate of Annas 15-4, I have to request that the paper may at once be sent to this Office, when it will be bound into books and forwarded to you.

No. 66. ORDER THEREON, 11th February 1867, No. 213.
