*Proceedings of the Madras Government, Judicial Department,
12th February 1867.*

No. 78. Read the following letter from the Registrar General of Assurances, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 23rd January 1867, No. 13.

I have the honor, under Section 13 of Act XX of 1866, to enquire, whether any change should be made in the present system of reporting appointments of Registrars and Sub-Registrars. The plan hitherto pursued has been to submit a draft minute of all temporary or permanent appointments of Official Registrars and Sub-Registrars, which are then gazetted by Government. In the case of my absence from the Presidency on duty, I report my intended movements, and insert Mr. Ferland's appointment as Deputy Registrar General in the Gazette. In the only cases in which a non-official Registrar, Major Stevenson, has obtained leave, the appointment of the Civil Judge to act for him has been inserted by me in the Gazette. No other reports, either special or general, have been ordered, and I am uncertain whether any are required.

No. 79. ORDER THEREON, 12th February 1867, No. 220.

The Governor in Council observes that the present system of reporting appointments in the Registration Department appears to meet the requirements of the Act.
