*Proceedings of the Madras Government, Judicial Department,
18th February 1867.*

No. 111. Read the following letter from RUGHONATH DAMODHUR, 2nd Assistant in Judicial Department of the Bombay Secretariat, to the Secretary to Government, Fort Saint George; dated Bombay, 5th January 1867.

I beg to submit, for the purpose of being laid before His Excellency the Governor in Council, the accompanying Prospectus and specimen of an Index to the Acts of the Indian Legislatures from 1834 to 1866.

2. The work has been compiled under the direct patronage of the Government of Bombay, who have subscribed for 550 copies for distribution among the several Officers subordinate to them.

3. As to the merits and usefulness of the publication, I need say nothing more than that it has secured a large and highly influential subscription list both in the Bombay and the other Presidencies. I, therefore, respectfully hope that the Government of Madras will be pleased to extend to it the same liberal support.

4. As the work is now in the Press, I shall feel extremely thankful if you will be kind enough to favor me with the orders of His Excellency the Governor in Council at an early date.

No. 112. ORDER THEREON, 18th February 1867, No. 237.

The Governor in Council will be prepared to take 100 copies of the work referred to in the foregoing letter.

(True Extract).

Chief Secretary.

To Rughoonath Damodhur, 2nd Assistant in the
Judicial Department of the Secretariat, Bombay.

Exd. J. Tulloch.

PROSPECTUS.

The undersigned proposes to issue an Index to the Acts (repealed as well as unrepealed) of the Indian Legislatures, Imperial and Local, as per accompanying Specimen. The work will consist of two parts. In part I. the Acts will be arranged in alphabetical order under headings according to the subject, the Acts of general application being in each case placed first, and followed by those applicable to Bengal, Madras and Bombay respectively, as shown in Column 4. The Acts of the Local Legislatures will be distinguished from those of the Imperial, by the name of the Presidency being shown in Italics over the number of the Act. In Column 5 the extent of repeal will be shown in each case. Part II. will comprise the arrangement of the Acts in Chronological order.

2. Every care has been taken to make the Index accurate, and to enter among the headings in Column I. all words likely to suggest themselves to a person searching for any particular enactment.

3. The work is now in the Press and will be ready for delivery by the middle of March next. The price will depend on the size of the work, but the Compiler thinks it will range between 5 and 7 Rupees per copy.
