*Proceedings of the Madras Government, Judicial Department,
19th February 1867.*

No. 169. Read the following letter from the Registrar General of Assurances, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 1st February 1867, No. 24.

I have the honor, with reference to the Government Order No. 14 of the 10th instant, to submit the accompanying correspondence with the Examiner of Claims, and to state that I see no objection to Mr. Pereira continuing to hold the office of Registrar of Assurances for the District of Tellicherry, if the special sanction of the Government of India can be obtained for making the case an exception to the ordinary Pension rules.

2. In the event of the Government not being prepared to apply for such sanction, it will, I presume, be necessary to appoint Mr. Pereira's successor to the office of Registrar. A draft Minute is accordingly enclosed in case it should be required.

From the Registrar General of Assurances, Madras, to the Examiner of Claims; dated Madras, 1st February 1867, No. 10.

I have the honor, with reference to the Government Order No. 14 of the 10th January, to state that, although the Mofussil Registrars do not at present receive any fixed salary, and are remunerated by a commission on the fees collected in their Districts, there is a probability that the existing system will be changed. Some months ago the Supreme Government reviewed the establishments originally sanctioned for the Registration Department, and expressed an opinion that the Registrars of Districts, if remunerated at all, should receive a fixed salary of Rupees 100 per mensem. Proposals were accordingly submitted for revising the establishments in accordance with these views, but no orders have as yet been received on the subject.

2. I shall, therefore, be obliged by your informing me whether there is any objection to Mr. Pereira holding the office of Registrar of Assurances without prejudice to his pension as long as it is remunerated by a commission on fees, and whether he can still continue to hold it in the event of a fixed salary being substituted for the commission at present drawn.

From the Examiner of Claims, Fort Saint George, to the Registrar General of Assurances; Madras, dated Fort Saint George, 26th January 1867, No. 79.

I have the honor, with reference to your letter No. 10, dated the 16th instant, to state that, since the issue of the Proceedings of Government dated 10th instant, No. 14, Pension Department, this office has received the Resolution of the Government of India, dated the 31st ultimo, No. 2597, Financial Department, sanctioning a salary of Rupees 100 to the District Registrar of Tellicherry, and that, under existing rules, Mr. Pereira cannot, without the special sanction of the Government of India, draw that salary in addition to his pension.

No. 170. ORDER THEREON, 19th February 1867, No. 268.

As Mr. Pereira's retention of the office of Registrar of Assurances is opposed to the Pension rules, the present Principal Sudder Ameen will be appointed to the office.
