*Proceedings of the Madras Government, Judicial Department,  
4th January 1867.*

No. 53. Read the following letter from C. DALE, Esq., Commissioner and Taxing Officer, to the Chief Secretary to Government, Fort Saint George; dated Madras, 3rd January 1867.

I do myself the honor of enclosing copy of an Official Memorandum received by me from the Examiner of Claims, returning my receipt for my salary for last month, as also copy of a letter I have addressed to that gentleman, soliciting to be furnished with more specific data of the nature of the information he requires; and I do myself the honor of requesting that instructions may be furnished to Mr. Donald authorising him to pass my receipt.

From C. DALE, Esq., Commissioner and Taxing Officer, to W. DONALD, Esq., Examiner of Claims; dated Madras, 3rd January 1867.

I do myself the honor of acknowledging receipt of your Official Memorandum, dated this day, and numbered 401, and of requesting you will favor me with more specific data of the nature of the information you require. I can only say I have not seen, and have not even heard of, any such Proceedings of Government as those you allude to. I sat, with the exception of Christmas day, throughout the month, ready to perform any duties which might be required, and did actually perform some duties relating to the Office during the Holidays, the fees for which have been placed to the credit of Government. Moreover, I have this day, as Commissioner and Taxing Officer, sent to the Bank of Madras the amount of fees recovered by me in that capacity during the past month. I am at a loss to imagine what information you require; but, if you will inform me specifically on the point, I will endeavour to meet your requirements.
