Proceedings of the Madras Government, Judicial Department,
28th February 1867.

No. 255. Read the following letter from the Acting Magistrate of Kurnool, to the Secretary to Government, Fort Saint George; dated Kurnool, 27th August 1866, No. 40.

In reply to the Order of Government, dated 20th instant, No. 1275, I have the honor to state that it appears to have been the practice to grant licenses to carry Arms to Merchants and Natives of rank travelling through the District, whenever applied for, unless there was some good reason for refusing the indulgence; care always being taken to limit the number of weapons. At the suggestion of the Resident at Hyderabad, I now refuse to grant licenses to inhabitants of the Nizams' territories, unless they bring a recommendatory letter from his office.

2. The inhabitants of the Deccan, Kurnool, and the Ceded Districts are more addicted to carrying Arms than the Natives of the South, which will account for the greater number of licenses granted from this office.

No. 256. ORDER THEREON, 28th February 1867, No. 320.

To be recorded.

(True Extract).

A. J. ARBUTHNOT,

Chief Secretary.

I fail to understand why the Master
of Kurnool shd be guided by the Resident
at Hyderabad in cases of travellers from
the Nizam territory proceeding through
Kurnool, Southward - perhaps in that
case, in the Master's
opinion, demand. The Magistrate of Kurnool
the indulgence of a
permit to carry with exercise great caution
arms, though this in issuing licenses to
applicant for it.
is not in proper form. Carry Arms.
of a recommendation
note from the Resident -
In respect of travellers going
into the Nizam territory
separated as it is from Kurnool
by only the breadth of the river
Touyghoodra, I doubt whether
any ~~Master~~ ^{Kurnool} Magli. M.
should give a permit.
It might & probably wd be ignored as soon
as the carrier of it crossed the boundary.
