*Proceedings of the Madras Government, Judicial Department,
1st March 1867.*

No. 7. Read the following letter from the Inspector General of Police, to the Secretary to Government, Public Works Department, Fort Saint George; dated Madras, 9th February 1867, No. 268.

General Department.

I have the honor to forward copy of a letter addressed by the Magistrate of North Arcot to the Superintending Engineer, 4th Division, with reference to a Sub-Magistrate's Office and Police Station at Tritany, and to request that the Government will sanction the preparation of a detailed estimate and plan.

From the Collector of North Arcot, to the Superintending Engineer, 4th Division; dated Chittoor, 23rd January 1867, No. 59.

I have the honor, with reference to your letter of the 8th instant, No. 3938, to inform you that I had an opportunity of inspecting the Sub-Magistrate's Cutcherry at Tritany twice during the monsoon. The result convinced me that my former proposition to enlarge and otherwise improve the present building should be absolutely abandoned, owing to the damp and ill-ventilated situation which it occupies.

2. The present site has not a single feature to recommend its retention, and so damp and unwholesome were the premises at the time I visited them, that I considered it necessary to remove all the prisoners there detained in them to a Choultry, which has since been done up for their temporary accommodation. I then fixed on what appeared to me an admirable site for the new buildings just outside of the Town, and closely adjoining the road leading into it from Ramakrist-narajapet.

3. The old building and premises will, if put up for sale, fetch a good price, and their absolute abandonment in favor of a new and more suitable site will, I believe, in the long run, be found to recommend itself on financial considerations.

4. The Sub-Magistrate can point out the site which I selected, and as the proportion of the cost which the Police Department should bear has been fixed at $\frac{1}{4}$ th, and the necessity of accommodation for it and for the Sub-Magistrate is urgent, I beg to request that you will move Government for permission to have a detailed plan and estimate prepared.

No. 4363.

Forwarded to Captain Carr, Assistant Inspector General of Police, with a request that he will move Government, if they have not been already addressed, to authorize this Department to make a detailed plan and estimate.
