*Proceedings of the Madras Government, Judicial Department,
1st March 1867.*

No. 14. Read the following letter from the Civil Judge of Coimbatore, to the Chief Secretary to Government, Fort Saint George; dated Coimbatore, 6th February 1867, No. 2.

The sweeper attached to this Court is, on account of his caste, prevented from cleaning the Judge's private room in the Court House, and a person is absolutely necessary for the work. A Bath-room attendant was employed by the late Civil Judge on a pay of 2½ Rupees per month, and was paid out of the permanent amount of Saderward (Rupees 17 per mensem) fixed for this Court. I have followed this practice (having, however, employed one on less pay, 2 Rupees) since joining this Court, and though in one instance such charge was passed it is now objected to for want of Government sanction, on the ground that it appears to be a monthly recurring charge.

2. Up to May 1866, the aforesaid sum of Rupees 17 used to be drawn in one lump without giving any particulars of expenditure which were required *only when this amount was exceeded*. In the present instance no such *excess* of expenditure over the fixed amount was incurred.

3. Under these circumstances, I have the honor to request that the sanction of Government may be accorded for the disbursement of Rupees 5-12-11, the item now objected to, being the attendant's pay from 3rd August 1866 to 31st October 1866, and for payment, monthly, of 2 Rupees in future.

4. I might add that the present sweeper cannot conveniently be replaced with one of a caste eligible for the duty of Bath-room attendant, as in that case his assistance at the record room and other places in the Court would be necessary, and this would be considered most objectionable on account of his caste.

No. 15. ORDER THEREON, 1st March 1867, No. 332.

Under the circumstances stated, the arrears of pay due to the Bath-room attendant will be passed by the Accountant General, as also the monthly charge of Rupees two on this account.
