*Proceedings of the Madras Government, Judicial Department,
5th March 1867.*

Read the following papers:—

No. 55. From the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 14th January 1867, No. 59.

Audit Department.

I have the honor to submit a letter from Captain Balmer, Superintendent of Police, Coimbatore, stating that the amount of his travelling expenses from Nellore to Coimbatore, *via*. Madras, very greatly exceeds that allowed him under the rules.

2. An Officer transferred from one District to another must, as a rule, take his horses, tents, &c., with him. The rules provide for nothing beyond a mileage of 3 Annas by Rail, which does not more than cover the fares for the Officer and his servants, leaving nothing for the transit of horses, &c.

3. I beg the favorable consideration of Government to Captain Balmer's case.

Referred to the Accountant General for his remarks.

FORT SAINT GEORGE,
22nd January 1867.

Ag. Under Secy. to Govt.

No. 56. From the Accountant General, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 29th January 1867, No. 371.

Post Audit Department.

With reference to endorsement, dated 22nd, upon the letter from the Inspector General of Police, No. 59, dated 14th instant, submitting, for the favorable consideration of Government, an application from Captain A. Balmer for his *bonâ fide* travelling expenses from Nellore, whence he was removed, under orders of 28th September last, to Coimbatore, I have the honor to report that, according to the rules for travelling allowance to Military Officers in Civil employ, when proceeding from one appointment to another, Captain Balmer is entitled to a mileage of 8

From Nellore to Kureumbady, <i>via</i> . Wooljelly by road, 75 miles, at 8 Annas a mile.....	RS. A. P.
From Tripatty to Arconum by Rail.....	37 8 0
From Arconum to Coimbatore by do. 259½ ..	41½ miles.
300½ .. at 3 Annas per mile.	56 4 0
Total...	93 12 0

Annas for the journey performed by road, and of 3 Annas for that by Railway, amounting to Rupees 93-12-0 for the distance from Nellore to Coimbatore according to the shortest route available, as shown in the margin. The rules in question allow nothing beyond this for servants, luggage, &c.

2. According to a special rule applicable to Police Officers only, an Officer of that Department, of Captain Balmer's rank, viz., a Superintendent of Police, travelling on duty by sea, is entitled to

Government of India, 28th January 1865, No. 463, Financial.

passage money for himself and for three servants, and would also have been allowed to take, at Government cost, two horses with a horse-keeper and grass-cutter for each, and 1400lbs. of luggage. But hitherto no Police Officer travelling by land has ever been allowed anything more than mileage at the rates mentioned above; and if the present application should be granted, I beg to suggest that the sanction be reported for the confirmation of the Government of India, whose authority will be needed to enable this Department to admit the charge.

No. 57. ORDER THEREON, 5th March 1867, No. 359.

The foregoing letter from the Accountant General will be communicated to the Inspector General of Police, and he will be requested to state whether he considers it necessary to recommend any modification in the existing Rules of the Police Department with respect to expenses incurred by Officers of, and above the rank of Assistant Superintendent when detached on duty from one station to another, involving the necessity of conveying with them their horses, servants, and baggage at a greater additional expense than can be covered by the mileage rates of 8 and 3 Annas by road and rail respectively.

2. It is observed that under the Resolution of the Government of India, dated the 24th November 1862, No. 6731, Officers below the rank of Assistant Superintendent are allowed, when detached on special duty, to charge their actual expenses in a Contingent bill.
