*Proceedings of the Madras Government, Judicial Department,
7th March 1867.*

No. 84. Read the following letter from the Magistrate of Trichinopoly, to the Chief Secretary to Government, Fort Saint George; dated Trichinopoly, 23rd February 1867, No. 11.

I have the honor to inform Government that a gang of dacoits, who had long been the pest of this District, were cleverly apprehended by the late Superintendent, and arraigned before the Sessions Court. Several of the gang were rich and influential, and the case was prosecuted before the Sessions Court by Major Hearn, the Deputy Inspector General, aided by the Government Prosecutor Strinivassiah. The case was intricate, but after five days' trial a verdict was recorded of transportation for life against the whole gang. Major Hearn expresses his approbation of the talent and integrity displayed by the Public Prosecutor, and states that his aid was most valuable to him. As Strinivassiah could have obtained 10 times the amount of fee if retained for the defence, I request Government will allow me to disburse to him Rupees 100 in this case, instead of the established remuneration of Rupees 25.

No. 85. ORDER THEREON, 7th March 1867, No. 373.

The Governor in Council sanctions the payment of a fee of (100) one hundred Rupees to the Public Prosecutor in the case referred to, as recommended in the foregoing letter.
