FORT SAINT GEORGE,
8th November 1866.

No. 71. From G. S. FORBES, Esq., Magistrate of Ganjam, to the Chief Secretary to Government, Fort Saint George; dated Chetterpore, 16th November 1866, No. 209.

The unsigned docket on the accompanying form of application reached me from your office yesterday. I return it for signature with a duplicate in which the entries required to be made, have been inserted in Column 9; but I am compelled to point out that all these particulars are already shewn in the form originally sent;

*Proceedings of the Madras Government, Judicial Department,
7th January 1867.*

the heading states the grade to which Nursimlu Bhookta is to be appointed, Column 2 the station (Ganjam) to which he is to be posted, Column 9 gives the grounds of recommendation, and the Section under which the recommendation is made, is named in the heading and in the docket (it should have been repeated in the Section.) The qualifications of the Officer to exercise 1st Class powers constitute the grounds of the recommendation.

2. I submit that some public inconvenience might have been saved by granting at least 2nd Class powers to the Acting Sub-Magistrate; the office is meanwhile vacant.

No. 72. ORDER THEREON, 7th January 1867, No. 40.

The Governor in Council is not prepared to confer 1st Class powers on Govindu Nursimlu Bhookta without further information as to his antecedents and qualifications. It should be stated what offices Govindu Nursimlu Bhookta has hitherto held, whether he has had any previous judicial experience, and why higher powers than those of the 2nd Class are considered necessary during the six months for which he has been appointed to officiate as Sub-Magistrate of Ganjam.

2. With reference to Mr. Forbes' remarks in the second of the foregoing letters, he will observe that in the form originally submitted by him, it was not stated that Nursimlu had been appointed to an office which rendered it necessary that Magisterial powers should be conferred upon him, and that in the absence of such information the application could not be complied with.
