*Proceedings of the Madras Government, Judicial Department,*  
*13th March 1867.*

No. 164. Read the following letter from the Magistrate of Vizagapatam, to the Chief Secretary to Government, Fort Saint George; dated Vizagapatam, 2nd March 1867, No. 46.

As there has been considerable mortality during the past year, among the patients in the Lunatic Asylum here, from diseases of debility, without any very apparent cause, the Medical Officer in charge has suggested a change in the diet, and a change in the water.

2. The first point will be attended to, but for the second sanction will be required for the services of a Waterman at 4 Rupees per mensem.

3. About two years ago, as the well in the Asylum compound (rented premises) had run dry, sanction was temporarily given for this outlay. The well is full now, but the supply of water

G. O., Judicial, 10th May 1865, No. 702.

is pronounced rather brackish. In anticipation of sanction (the matter being emergent) I have informed the Civil Surgeon that he should engage a Waterman from the 1st March, instant.

No. 165. ORDER THEREON, 13th March 1867, No. 413.

The Governor in Council approves of the arrangements reported in the foregoing letter.

2. The charge, Rupees (4) four per mensem, on account of the services of a Waterman, will be included in the usual monthly Statement submitted to the Government of India.
