Order thereon 23rd March 1867 N^o 490.

The above reported show
a gross amount of Rs 3538.

as having been expended
in rewards for meritorious
conduct and for information
leading to the conviction of
prisoners, and recapture of
escaped convicts during the
official year ending on the
30th April 1866, under the
provisions of G.O. 23rd August
1862 No 1380 and subsequent
similar orders.

2. The letters under
review show that the rules
laid down with respect to
the grant of rewards and
preparation of the returns
connected therewith, have
been, generally, observed
with greater care than in
former years.

3. There are, however,
not a few errors and
omissions which call for
remark: the returns from
Bellary, Cuddapah, Madras,
North Arcot, Tanjore and
Tinnevely fail to show
in

3/ 28
in some, if not in all the
the cases reported upon by
the several Magistrates
of those Districts, in which
rewards were given for the
apprehension of prisoners,
whether conviction followed
upon apprehension. The
necessity of giving this
information was plainly
stated in order of Govt. dated
21st September 1864; while,
among several Districts,
the returns from which
for the year 1864 were noted
as failing to give this
information, Cuddapah
and Madras again figure.

4. The Report of the
Magistrate of the Madras
District embraces only
the last quarter of the
year 1865: the report will
be returned to him for
explanation, and for the
submission

as
in
con
le
pr

Submission of a complete
return for the official
year ending on the 30th
April 1866.

5. The more general
of observance of the in-
structions of Government
as to the early transmission
of these reports makes
the following more notic-
able: those from the
Inspector General of Jails
and the Magistrate of
South Canara were not
sent in till the end of
August, while the
Magistrates of Vellore,
Salem and Malabar
delayed the submission
of their returns until
December, those from the
two latter Districts being
blank. The neglect of
the latter two officers.

As

is totally inexcusable.
