Apart from Mr. Martin's competency to exercise such powers the want of a Magisterial Officer so qualified near the Court has heretofore been a serious obstacle to the prompt administration of the Criminal Law & is during the last part of the year when the Magistrate is necessarily absent in distant parts of the District productive of much additional expense & inconvenience to the Prisoners & witnesses in cases which come within his jurisdiction. - For these reasons, the Magistrate begs to ask for this application, the favorable consideration of Government.
