*Proceedings of the Madras Government, Judicial Department,
5th April 1867.*

Read the following papers :—

No. 38. From the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, Fort Saint George; dated Covilady, 9th March 1867, No. 1485.

With reference to G. O., 3151, dated 4th October 1866, calling upon me to submit an estimate for a Range Office at Tranquebar, I have the honor to inform you that Tranquebar is a curious old town, laid out in streets, with small patches of

garden attached to many of the houses, and it is not possible to obtain a site for an office. Again, both labor and materials are very dear at Tranquebar, and Rupees 450 the sum allotted* for a 2nd Class Office would not suffice to construct a suitable building.

2. There is an upper room over the large open Verandah of the Court-house at Tranquebar, which is admirably adapted for an office. It is not used by the Court; and Mr. Clarke, the Civil Judge, has consented to Captain Hasted's occupying it as an office. A sum of Rupees 350 is required to re-thatch the room, and render it habitable; this can be provided for from the allotment for the repair of Civil Buildings, and I beg that Government will sanction the appropriation of the room for the 3rd Range Office.

Referred to the Judicial Department.

Referred to the Civil Judge of Tranquebar, for his remarks.

FORT SAINT GEORGE,
21st March 1867.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

No. 39. From the Civil and Session Judge, Tranquebar, to the Chief Secretary to Government, Fort Saint George; dated Tranquebar, 30th March 1867, No. 207.

With reference to your endorsement, calling upon me to submit my remarks on the letter addressed to Government by the Superintending Engineer, 6th Division, dated 9th March 1867, wherein sanction is requested for the appropriation of the upper room of the Court-house of Tranquebar for the office of the 3rd Range, I have the honor to state that I am not aware of any objection to Captain Hasted's occupying the room in question as his office. His doing so will in no way obstruct the business of the Court.

No. 40. ORDER THEREON, 5th April 1867, No. 549.

The Government sanction the use of the upper room of the Court-house at Tranquebar as an office for the Officer of the Public Works Department of the 3rd Range of the 6th Division.
