*Proceedings of the Madras Government, Public Works Department,
2nd April 1867.*

No. 42. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp, Codiconda, 16th March 1867, No. 3,376 :—

1. In G. O. No. 2,474 of 6th August 1866, sanction was given for Rs. 7,580 for the construction of a Court-house for the Cantonment Magistrate at Bellary. In the plan then submitted I made provision for four male and three female prisoners, and put the doors so as to open into the verandah, as the building being in the same enclosure as the Court-house I thought there would be no objection to this arrangement.

2. The Inspector General of Police, on seeing the plan, has objected to the amount of accommodation furnished, and states that enough for eight male prisoners at least is required; but that the accommodation for female prisoners would suffice. He also wishes that the doors should open into the guard-room, and that the guard-room itself should have a grated door.

3. Under these circumstances, I have had the accompanying revised plan and estimate prepared, which I have the honor to submit for the sanction of Government. The cost of the guard and prison-room, according to the sanctioned plan, was Rupees 2,097, and that of the revised plan is Rupees 2,850, or Rupees 753 in excess, thus making the whole cost of the Court-house, &c., Rupees 8,333, instead of Rupees 7,580.

ORDER THEREON, 2nd April 1867, No. 1,025.

No. 43.

MILITARY WORKS, No. 2.

Amount sanctioned in G. O. No. 2,474, dated 6th August 1866	RS. 7,580
Do. of supplemental Estimate for guard and prison-room	753
Total	8,333

1. Under the explanations afforded by the Superintending Engineer of the 3rd Division, the Government sanction the revised estimate of Rs. 2,850 submitted with this letter. This will increase the estimated cost of the Cantonment Magistrate's Cutcherry at Bellary to Rupees 8,333.

2. The question of providing funds for the work will be considered hereafter.
