

from me to not having
been decided - that he would
not wait to act, unless he
retained his present acting
appointment of Head
of the Collectors, in addition
that of Customs Master
General. This station is at Waltham.

I hardly see how he could
do, without assistance,
any on both duties, and
in that case, an assistant
would have to be put in
charge of at least part of

his division, those I shall
consider he has a claim
to the acting allowance.
As he himself writes that
he is preparing for his
examination next June,
and additional work
must interfere with it,
the attendance is necessary
by next assistant who
has passed the examination
Mr. Smith is junior to
Mr. McCarty, but the

letter has not yet passed
its first stage.

Consequently - of the other
arrangements are ~~being~~
I mean that, I much
hope the Council to
act, instead of Mr
Palsall, as Council have
happened, with the
Board's approval - the
Council is another of
its judge and, and
discussion -

Yours sincerely
Theodor
