Proceedings of the Madras Government, Judicial Department,
10th April 1867.

No. 77. Read the following letter from the Magistrate of Coimbatore, to the Chief Secretary to Government, Fort Saint George ; dated Coimbatore, 4th April 1867, No. 26.

The present place of execution at this station is situated outside the town, on the side of the public road leading to the Hills. It is desirable, now that so many European Ladies and Gentlemen travel along this road, that some other place should be selected. I beg to submit the matter for the consideration of Government, and to recommend that all executions in future shall be carried out in the vicinity of the New Central Jail.

2. The Superintendent of the Central Jail agrees with me in this opinion.

No. 78. ORDER THEREON, 10th April 1867, No. 576.

The Governor in Council directs that the Magistrate will select a spot for executions, in communication with the Superintendent of the Jail.
