Proceedings of the Madras Government, Judicial Department,

10th April 1867.

Read the following papers :—

No. 79. From the Magistrate of the Kistna District, to the Chief Secretary to Government, Fort Saint George; dated Vadalli, 1st April 1867, No. 85.

I regret to report that Cholera has appeared in many parts of this District within the last week.

2. It appears to have been spread by pilgrims returning from the annual festival at Strisalem in the north of the Kurnool District; it also made its appearance at the Mungalagiri festival on the 20th of March, and was disseminated thence in different directions.

3. From reports I have received, the disease prevails in the Taluqs of Vinukonda, Palnad, Guntur, Bezwarah, and Repulli.

4. At Bezwarah, the deaths, on 27th and 28th ultimo, amounted to 12 and 9 respectively. A Cholera Hospital had been, however, established by the Executive Engineer, Captain Smith, and precautions had been taken to divert the traffic along the high roads as much as possible from the Town.

5. The Dresser attached to my office has also been sent to Bezwarah, to aid the Public Works Dresser there. On the 29th, the number of deaths was reduced to five, so I trust the worst of the outbreak has passed.

Referred to the Sanitary Commissioner for his remarks.

FORT SAINT GEORGE,
8th April 1867.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

No. 80. From the Sanitary Commissioner for Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 9th April 1867, No. 21.

I have the honor to acknowledge the receipt of your docket, dated 8th April, referring to the appearance of Cholera in

Enclosure.
One letter, No. 85, dated 1st April 1867, from the Magistrate of Kistna District, to the Chief Secretary to Government.

parts of the Kistna District, and especially at Bezwarah. The arrangements made

appear judicious.

2. I would also suggest that orders should be despatched by telegraph to the Civil Surgeon at Masulipatam, to supply the Taluq and Police Officials of the Kistna District with Cholera Pills, with instructions for use. Much time would be lost in applying to the Deputy Inspector General, Medical Department, at Waltair.

No. 81. ORDER THEREON, 10th April 1867, No. 578.

Communicated to the Inspector General, Medical Department, who will telegraph to the Civil Surgeon at Masulipatam such instructions as he may deem necessary, with reference to the suggestion made by the Sanitary Commissioner.

(True Extract).

To the Inspector General, Medical Department.

„ Sanitary Commissioner.

„ Magistrate of Kistna District.

Chief Secretary.
