Proceedings of the Madras Government, Judicial Department,
17th April 1867.

No. 112. Read the following letter from the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 6th April 1867, No. 588.

General Department.

I have the honor to request that Government will confer a vacant personal allowance of Rupees 100 per mensem on Major Swanston from 1st April 1867.

2. Major Swanston is not in charge of one of the heavy Districts to which these allowances are to be assigned, but he is the oldest Officer in the Force, not a Deputy Inspector General, and his appointment bears the same date as Major Hearn and Captain Tennant's. They are in fact the first Officers appointed in 1858.

3. Major Swanston is a very able and experienced and most trustworthy Officer. He is the Officer whom I would recommend for Deputy Inspector General, should a vacancy occur. The Service cannot afford to lose him. But he cannot afford to continue in the Service without the addition of pay which I propose should be conferred on him. He has well earned it by nearly nine years' useful labor. I, therefore, confidently solicit the consideration of Government.

4. Under the present rules, when an Officer filling one of the personal allowances in question goes Home on Sick Certificate, the allowance is practically lost to the Service. I beg, therefore, that all future allowances be conferred, with the condition that if the incumbents go away on leave, the allowance become vacant and available for another after the incumbent has been absent six months, on the understanding that on return he have a claim to an early vacancy.

5. Should the application to alter the system of paying Military Officers from a consolidated system be successful all personal allowances should cease.

No. 113. ORDER THEREON, 17th April 1867, No. 604.

The Governor in Council sanctions the assignment of the vacant personal allowance of Rupees 100 to Captain Swanston.

2. His Excellency in Council also sanctions the adoption of the rule proposed by the Inspector General, viz., that departure to England on Medical Certificate shall, in future, entail forfeiture of the personal allowance. This rule, however, is not to be applied to Officers now in receipt of the personal allowance.
