From

Acting Zillah Surgeon

To

The Secretary to Inspector Genl.
Medical Department
Fort Saint George
Madras

Sir,

As my application for casual leave of absence dated the 1st Ultimo, was not sanctioned by Government on the ground, that casual leave could only be granted by the Head of an Office, & was not applicable to the case of a Commissioned Medical Officer, & in consequence of which, I was compelled to put off the departure of my children to Europe till the month of May, I have therefore now the honor to request, that instead of casual leave of absence, General leave of absence for one month be granted to me to enable me to make the necessary arrangements for their departure.

2.

The duties of the station & that of the Jail will be carried on in the manner stated in my application of the 1st

1st Altimo & which has the sanction of
the Collector & the Inspector General
of Taxes as will be seen by reference to
that application.

I have the honor to be,

Sir,

Your Most Obedt. Servt.

J. M. Humphreys

Surgeon

Acting Zillah Surgeon.
