2. The District Officer had not visited those parts, hence the neglect.

*Proceedings of the Madras Government, Public Works Department,
22nd March 1867.*

No. 532. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 13th March 1867, No. 4,160 :—

With reference to paragraph 13, Chapter IV. of the Public Works Code, I have the honor to submit, for the orders of Government, the accompanying bill, Audit No. 91, for Rupees 50, for expenditure incurred in the year 1863-64, by the Police Department, in building four huts at Cumbum in the Madura District, received from the Superintending Engineer, 8th Division, with his letter No. 2,078 of 4th instant, herewith forwarded, in which it is stated that no completion certificate can be given, inasmuch as one of the four huts has disappeared and the other three are not in good condition.

From the Officiating Superintending Engineer, 8th Division, to the Controller of Public Works Accounts, dated Madura, 4th March 1867, No. 2,078.

1. In forwarding a bill of Rupees 50 for expenditure in the Police Department in 1863-64, in building four huts at Cumbum, in the Madura District, I have the honor to state that no completion certificate can be given, inasmuch as one of the four huts has disappeared, and the other three are not in good condition. This state of affairs is not much to be wondered at, considering that the huts have been built fully three years, the roof being thatch, and the bamboo ties let into mud walls.

2. The bill was received from the Superintendent of Police on the 26th November 1866, forwarded to the Range Officer on the 27th November, and came back to my Office with report on the 16th February 1867.

No. 533. ORDER THEREON, 22nd March 1867, No. 891.

ACCOUNT, No. 79.

The Government cannot pass the bill submitted with this letter with the unsatisfactory information which is afforded in the brief remarks of the Superintending Engineer, and they are of opinion that, with ordinary care and precaution, the huts should not have been so easily destroyed. The bill will be referred to the Judicial Department with a view to further information being called for from the Officers of the Police Department under whose supervision the huts in question appear to have been built.
