*Proceedings of the Madras Government, Public Works Department,
3rd May 1867.*

Read the following papers :—

No. 77. From the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Camp, Arnee, 1st February 1867, No. 4,270 :—

1. Lieutenant Brockman, Assistant Engineer, Vellore Range, having reported to me that the bressummers and palmyrah rafters in the verandahs of the old Barracks and Hospital in the Fort of Arnee will prove very useful to him to be converted into palisading for the Central Jail at Vellore, I have the honour to request the permission of Government to pull down the verandahs and to remove the wood-work to Vellore.

2. The verandahs of two sides of the quadrangle of the Hospital, as well as the couples of the roof of the wards on the east side have been already removed, and the sooner the rest of the building is dismantled the better.

Transferred to the Judicial Department.
