Proceedings of the Madras Government, Judicial Department,

15th May 1867.

No. 169. Read the following letter from the Inspector General of Ordnance and Magazines, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 13th May 1867, No. 26.

Ordnance Department.

With reference to Proceedings of Government, Judicial Department, No. 1184, dated 25th August 1865, I have the honor to report that the Officiating Commissioner of Mysore has applied to this Department for specimens of the ancient Arms of the Ooryah and Khond people, to be placed at the disposal of the Mysore Government, for the purpose of exhibition at the "Mysore Museum" at Bangalore, to which Institution these Arms will, it is stated, be an interesting acquisition.

2. There are some Arms of an inferior character remaining in store from the number received from Ganjam, and a selection may be made from these, if Government sanction Mr. Saunders' application.

3. A small outlay will have to be incurred in employing a few extra Chick-ledars to clean and burnish the Arms; but this cost, the Commissioner will disburse, as well as the charges connected with the transmission of the Arms to Bangalore.

4. I enclose a list of the Arms in store, and beg to be favored with the orders of Government.

List of old Arms received from Ganjam remaining in the Grand Arsenal, Fort Saint George, on this date.
