*Proceedings of the Madras Government, Judicial Department,
22nd May 1867.*

No. 238. Read the following letter from the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 15th May 1867, No. 805.

General Department.

I have the honor to submit the accompanying letter from Lieutenant Pickance, Assistant in Ganjam (Maliahs), for the favorable consideration of Government.

2. He seeks extension of the time within which he must pass the second language.

3. His is a most exceptional case. The services of a Moonshee can scarcely be got on the Hills; and the constant travelling, which is quite indispensable to the proper supervision and control of the Hill tribe, quite prevents study.

4. Lieutenant Pickance well deserves, by his self-denying devotion to his arduous and ungenial duty, the consideration solicited.

5. I need scarcely add that, unless this reasonable request can be granted, I am in despair as to officering the Hill Force.

From Lieutenant W. J. PICKANCE, Assistant Superintendent of Police, Ganjam, to the Superintendent of Police, Chatterpore; dated Simpadeas, 24th April 1867.

With reference to Government Order, No. 398, of 12th March 1867, requesting me to present myself for examination in a second language before the 12th June, I have the honor to submit, for the consideration of the Inspector General, that, from the peculiar nature of our work in the Hills this year, my reading has been rather limited; but, up to the time Mr. Wilmott went down, I was reading more or less. On his departure, I really had no spare time. I had to superintend all the works, drill the men, and conduct all the other duties of my appointment, unaided. When I go down to Russelcondah for the rains, I will commence again, and would present myself for examination before my return to the Hills next cold season. I believe no test in Oorya has been laid down yet. Under these circumstances, I hope the Inspector General will obtain for me an extension of the time allowed me to pass in, say to end of year.

Forwarded through Deputy Inspector General, for consideration of Inspector General of Police. In the Proceedings of Government referred to by Lieutenant Pickance, his name appears to have been entered by mistake for that of Lieutenant Wilton.

CHATTERPORE,
3rd May 1867.

(Signed) A. M. LYS, Lieut.,
Superintendent of Police.

No. 239. ORDER THEREON, 22nd May 1867, No. 845.

Under the circumstances represented in the foregoing letter, the Governor in Council resolves, as a special case, to extend the period within which Lieutenant Pickance must pass the prescribed examination in a second language, to the end of December next.
