MEMORANDUM.

The undersigned presents compliments to the Chief Secretary to the Government of Fort Saint George, and requests that he will be good as to state, for the information of this Government, the practice which prevails in that Presidency, in regard to giving Magistrates facilities in obtaining the perusal of papers in Criminal cases tried by Session Courts.

2. At present, the Magistrate in this Presidency is obliged to make a motion for copies through the Government Pleader; and it often happens that he has thus to obtain copy of the whole record, while the inspection of one deposition would perhaps have sufficed for his purpose.
