*Proceedings of the Madras Government, Judicial Department,
29th May 1867.*

No. 294. Read the following letter from the Registrar General of Assurances, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 5th April 1867, No. 53.

In paragraph 2 of my letter, No. 233, of the 11th August 1866, I stated that an establishment costing Rupees 360 per mensem might prove sufficient for my office, under the Indian Registration Act, when the arrears which had accumulated under Act XVI of 1864 had been worked off. The details of the establishment were given in the margin. It was proposed that my principal Native Subordinate should be a Manager on Rupees 120, instead of a Head Clerk on Rupees 60, but no increase of any kind was suggested in the number or salaries of the other clerks. The arrears I, of course, intended, should be disposed of by the extra establishment sanctioned for that purpose.

2. The permanent establishment having been sanctioned by the Resolution of the Government of India, No. 2597, of the 31st December 1866, communicated with the Government Order, No. 189, of the 6th February 1867, the Examiner of Claims states that the special sanction of Government is required for the retention of the temporary establishment, because the "Order sanctioning the latter does not specify the period for which it is to be maintained." The words used in the Order in question, No. 364, of the 10th March 1866, are "this additional establishment will be dispensed with as soon as the arrears are cleared off." In my letter, No. 33, of the 11th February last, I reported that there were still 73,346 abstracts of instruments and memoranda of decrees to be copied and indexed in Books 1, 2, and 3, besides some double registration to be entered and indexed in Book 4, and I suggested that the temporary establishment should be doubled, with a view to the arrears being cleared off at a more rapid rate than was possible with the number of men employed on them.

3. As the bill for salaries of the temporary establishment has not been passed, owing to the above objection, I have the honor to solicit the orders of Government on the subject of this establishment.

No. 295. ORDER THEREON, 29th May 1867, No. 876.

The Examiner of Claims will pass the salaries of the temporary establishment referred to in the foregoing letter until further orders.
