*Proceedings of the Madras Government, Judicial Department,
29th May 1867.*

No. 301. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, Fort Saint George; dated Camp Ramandroog, 4th May 1867, No. 355.

With reference to G. O., No. 1242 of 26th ultimo, communicating G. O., No. 613, of 18th idem, in the Judicial Department, appointing a Committee to consider and report on the requirements of each District as regards Subsidiary Jail accommodation, I have the honor to request that you will inform me if I am to postpone the preparation of the revised plans and estimates for Taluq Cutcheries. In paragraph 9 of the Government Order it is stated that Government question whether it is a desirable arrangement to have the Subsidiary Jail and Lock-up under the same roof as the Cutcherry, &c., &c.

2. On receipt of the Budget for this year I applied to the Collectors of the several Districts in this Division for information as to the accommodation required to be provided in each Cutcherry for male and female prisoners, both convicted and awaiting trial; also as to the strength of the Police guard to be kept at each Cutcherry, and the accommodation they might require. I beg to annex a Statement, giving a summary of their replies.

3. Their answers, as regards the Police accommodation, seemed so conflicting that I thought it advisable to refer the question to the Inspector General of Police. It seemed to me that, in the Districts of Cuddapah and Kurnool, it was the intention to put the whole Police Force, attached to the Cusbah town, in the Taluq Cutcherry; that the Police Station-house should form part of the same building, and that accommodation would be required for Police records, stores and Lock-ups, thus having one large building. In reply the Inspector General of Police gave no opinion, but merely sent copies of letters from the several Superintendents, which give the same information as I had already received from the Collectors. On these points some clear and definite orders require to be passed, and, pending the orders of Government, I have directed to keep in abeyance the preparation of the plans and estimates.

STATEMENT showing the amount of accommodation required to be provided for prisoners and Police in the new Cutcheries proposed to be built in the Bellary, Cuddapah, and Kurnool Districts.
