*Proceedings of the Madras Government, Judicial Department,

Read the following papers :—

No. 62. From the Under Secretary to the Government of India, to the Under Secretary to the Government of Bengal; dated Simla, 11th May 1867, No. 161.

Home Department.

I am directed to acknowledge the receipt of your letter, No. 2535, dated 22nd ultimo, forwarding an application from the Inspector General of Jails, L. P., for the removal to the Andamans, on the ground of extreme ill-health, of a European prisoner, Richard Hill, at present in the Hazareebaugh Jail.

2. In reply, I am desired to state that there is not at Port Blair any accommodation for European prisoners, and that the Superintendent of that Settlement has objected to receive any, unless they are sent on license to be at large under Section 9 of Act XXIV of 1855.

3. Looking to the offence for which Richard Hill was sentenced, and to his repeated attempts to escape, it would not seem that he is deserving of being sent on license to Port Blair; but if the Lieutenant Governor should think fit to recommend the grant of such an indulgence, the Governor General in Council will not object to sanction the prisoner's transfer on license to Port Blair, or his removal to some other Jail in the Provinces to which it may be advisable to send him, or to the European prison at Ootacamund, if recommended by his Medical attendant.

No. 162.

Copy forwarded to the Government of Madras, with a request to know whether, if necessary, the prisoner can be received in Ootacamund Jail.

Under Secy. to Govt. of India.

No. 63. From the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Madras, 31st May 1867, No. 39.

With reference to the letter from the Under Secretary to the Government of India, forwarded with your docket, No. 1144, dated 28th instant, and herewith returned, I have the honor to state that accommodation is available in the European prison at Ootacamund for the reception of the prisoner Richard Hill now at Hazareebaugh; but if he is subject to fits, or his extreme illness is of such a nature as to require him to have attendance in his cell at night, it would not be convenient to receive him into the prison for the reasons given in the case of the convict Baker, whose removal to the Penitentiary has recently been sanctioned.

No. 64. To the Secretary to the Government of India, Home Department, dated Fort Saint George, 6th June 1867, No. 927.

Adverting to Mr. Under Secretary Howell's endorsement on a letter to the Under Secretary to the Government of Bengal, of the 11th ultimo, No. 161, I am directed to intimate that the prisoner Richard Hill, at present confined in the Jail at Hazareebaugh, can be received in the European Prison at Ootacamund, but should his "extreme ill-health" be of a nature requiring attendance in his cell during the night, it would not be convenient to receive him, for the reasons assigned
